community GIVING = community DOING

As a social-change philanthropy, the act of giving is an action equally as powerful as the work itself. Fundraising provides capital for our programs, and building our donor base is equally about growing a movement for progressive change and social justice. Our annual Spring Grant Awards are only possible because of the generosity and aloha of the HPF ‘ohana.

Your choice to contribute is a commitment to the vision of a more equitable and just Hawai‘i just as much as is the work of grassroots organizations receiving grants.

Mahalo for your generosity and support!

Your contributions have and will make a real impact, whether you donate $500, $50, or $5 ~ every penny helps! The HPF ‘ohana has beautifully illustrated the power of collective fundraising to support social change initiatives in Hawai‘i ~ the original crowdfunders! Your generosity today will help to continue this tradition of giving and reach visionary grassroots organizations working towards a more inclusive, sustainable, and just Hawai‘i ~ #GivingTuesday combines our superpowers with the global community to harness the collective mana of individuals to encourage philanthropy by celebrating ~ worldwide! ~ the transformative work our homegrown heroes do everyday.

Since 1972, Hawai‘i People’s Fund has given all of us an opportunity to be a part of something bigger than ourselves ~ to connect to a growing community plugged directly into a shared vision of a just and equitable Hawai‘i. Through a unique intersectional approach to social change, this ‘ohana has been hitting injustice in Hawai‘i from all angles. HPF is the only organization in Hawai‘i specifically addressing the needs of grassroots progressive movement builders by directing community-raised funds and progressive funding opportunities to those on the ground engaged in the work.

Will you join us and make a donation in honor of our beloved community?

To sweeten the deal, on December 3rd, Facebook and PayPal will match a total of $7 Million in donations ~ MAHALO NUI!!!

This way, your contribution will streeetch even further!

ALSO ~ every donation we receive in conjunction with our Giving Tuesday campaign will be matched TRIPLE by an extremely generous matching donation from our allies.
That means we have the ability to transform our $5,000 fundraising goal to $15,000!
Let’s do this, ‘ohana!
