If you are able, we strongly urge you to stand with the kiaʻi at Maunakea and experience the aloha of protecting our lands.

And as always, we invite you to continue engagement for the kula and the larger HKM as a whole.

Maunakea Education & Awareness

Since its founding in 2000 by a passionate educational, cultural, and community networking organization, the Maunakea Education & Awareness Program (MEAP) has been instrumental in bringing worldwide solidarity to this ecologically important and culturally sacred place. MEAP was founded in 1989, educates local and international communities about Native Hawaiian resource management, and provides cultural learning opportunities for everyone. The Maunakea Education & Awareness Program is a 501(c)(3) nonprofit organization registered in Hawaii in the United States. It is funded in part by the Hawai'i People's Fund.
